

Balanced Scorecard Local Authority Carers' Performance

Issue	Data	Comments/reasons for lack of data
Assessments		
Total number of carers as per 2001 census		
Separate Carers' assessments		
Joint assessments of Carers and Users		
Carers assessments declined		
Carer satisfaction with assessment		
SUPPORT FOR CARERS		
PI C62		
Numbers of carers' services (under the Carers & Disabled Children Act 2000) and direct payments to carers		
Numbers of carers benefiting from a) carers grant breaks (2006-07) b) all breaks including carers' grant (2007-08) ¹		
Numbers of carers getting support through Carers Centres and other voluntary sector support		

¹ The logic for this is that we don't want to impose new data collection expectations for this year, but there are plenty of good reasons for expecting authorities to account not just for grant funded breaks.
